

4-year Planner Worksheet Start

Planning your four years of high school. Under the column entitled 'Course', fill in all the courses you have taken at that grade level or plan to take. • Write in the name of the courses in the appropriate row. Indicate how much credit you received in the credit column. • Use the rows labeled 'electives' for courses that do not fit into any of the other Subject Area categories. • Make sure to list any credits you earned with a 'credit by examination' test. Recommendations: Math: Algebra I, Geometry, Algebra II, an advanced math class. Science: Biology/Chemistry/Physics/Forensics, two advanced science classes Social Studies: World History, World History, US History, Government (1/2 credit), CWP (1/2 credit)
